

## **MICS6 Survey Design Workshop, 10-17 April 2019, Galata Room, Elite World Hotel, Istanbul, Turkey**

### **Workshop expected results:**

- Strengthened skills of UNICEF officers, government counterparts and survey coordinators for planning, organization, management and coordination of MICS.
- Improved understanding of the indicators and the recommended survey methodology for collecting data on the situation of children and women through MICS.
- Draft survey plans produced for countries committed to conducting MICS.
